I love English Harbour slot freerolls. They're a lot of fun. You can play against other players and see your ranking at anytime. Tournament winners get cash prizes. \$5k, I think, for each slot tournament which go for of 2-3 days.

This is a fun site to play on. No problems with software. I've played on this site a few days, with small play and won big money for no more than i started with. Turned in my winnings and got my withdrawal in 3- days. I suggested for everyone to try this site. The support was real helpful and curious on getting my withdrawal processed. Thank you for your support English Harbour.
