## Regrettably effective December 5, 2008 Hot Pepper Casino management has decided to discontinue offering its product in the marketplace.

Hot Pepper Casino is a Vegas Technology powered casino that is well known for offering freeroll slot machine tournaments online. To date they've given away over \$1 million in freeroll slot machine tournament prizes. Hot Pepper Casino user- friendly and fast. The graphics are excellent and the lobby is easy to use. They also offer a good variety of games.

**Hot Pepper Casino Games** Over 90 Casino games and 55 of these are Slots Games. Hot Pepper Casino hosts a vast variety of games including 7- Reel Slots, 3 Reel Slots your traditional and progressives. The also have one of the largest selection of table games I have found yet to be offered by any online casino. These include your favorites such as Craps, War, Keno. Their game list doesn't stop there, there is also progressive table games like Multi Hand Black Jack and an Island Progressive Stud Poker.
