Lion Slots, one of the newest Rival additions, only launched in June 2008. Lion Slots Casino provides you with a safe environment to play. Their biggest assets are the players who play at Lion Slots Casino.

They believe that players should be treated fairly and with respect, and they will endeavour to provide players with comps and bonuses which rival other casinos. Powered by Rival Software.

## Lion Slots Casino Promotions

All players receive **\$15 Free** - [Claim this Bonus!](#)

There are also some really great promotions. **\$500 FREE Sign-up Bonus**. Get up to \$500 free instantly with your first 3 deposits. 100% up to \$100 - First Deposit on your first deposit at the casino, accept the First Deposit Promotion, and when you deposit \$25 to \$100, we will give you 100% on your deposit FREE to play with.

Plus a **25% Unlimited Reload up to \$1000**. When using selected eWallets to deposit instead of credit cards.

I also found Monthly & Weekly Promotions. They offer players excellent weekly and monthly promotions and bonuses. From competitions such as Slot Games Races, to deposit bonuses and free money, Lionslots players are well looked after. Make sure you check for weekly and monthly promotions located at the promotions section of the cashier in the casino client.

## Lion Slots Casino games

There are over 60 of your favorite casino games. I found card games ranging from Baccarat, Blackjack and Let It Ride to Caribbean Stud, Pai Gow, my favorite Three Card Poker and Video poker. There is something for everyone.

LionSlots.com was made with slots players in mind. This casino has a good range of 33 slot games including Classic Slots, Video Slots and Rival iSlots. iSlots are different to classic slots, each iSlot game is a story and as you progress through the game more of the story is revealed.

## Lion Slots Bonus Codes

LionSlots.com will automatically give all new players \$15 to try the casino. You don't need a bonus code to receive the \$15 free bonus.

## Lion Slots VIP Program

The lionslots.com reward you special promotions and bonuses and Lion Points. Depending on your player level, the more you play, and deposit, the more you are rewarded with exclusive promotions, cash bonuses, trips and prizes. Not only that, all players are entitled to Lion Points. Lion Points are earned by wagering at the casino.

Everytime you wager at LionSlots Casino you will earn Lion Points. Lion points can be used to exchange to more cash bonuses, as well as free spins! Now that's what I call VIP treatment.
