Poker Stars is the world's largest online poker site. The poker software is fast, reliable, and smooth. It's also graphically pleasing, which helps to make long sessions at the table more pleasant. Pokerstars deserves to be at the top of anyone's list of favorite poker rooms; their quality is evident throughout the poker experience they provide. Once you play at Poker Stars, it will be hard to find another site as exciting. PokerStars.com offers the following poker games: Texas Hold'em, Omaha Poker, Omaha-8, Seven Card Stud, Seven Card Stud High/ Low, Razz, HORSE, 5- Card Draw and 2-7 Triple Draw. PokerStars.com has discontinued accepting players located in the United States.

## Poker Stars 08 Promotions

**100% Match Deposit Bonus up to \$600 - [Claim this Bonus!](#)**

Poker Stars.com also offers some really great promotions. PokerStars.com is offering a first-time 100% match deposit bonus up to \$600. Players will receive in \$10 increments and has a clearance rate of 17 VPP per \$1 of bonus. The first deposit code is STARS600 and this will need to be entered on every eligible deposit.

## Reload Bonus

Current PokerStars.com players we are also offering our biggest ever reload bonus of 50% up to a maximum bonus of \$300.

The PokerStars Turbo Takedown is here! Use your FPP credits now to buy-in direct, or play in one of our satellites, to take down your share of a \$1 million dollar prizepool on the last Sunday of every month.

PokerStars new Sit & Go challenge gives our players the chance to win a share of over \$3,000,000 in cash prizes.

PokerStars Sunday Million is the longest running, largest weekly tournaments any where. Play for at least \$1,500,000 every Sunday at 4:30PM ET. There are so many more great tournaments offered.

## Poker Stars Pros

If you ever dreamed of playing with Pros, then this site might be what you are looking for in a great poker site. Chris MoneyMaker, Greg Raymer and Joe Hachem got their start on this site. Barry Greenstein, Daniel Negreanu, Victor Ramdin, and Humberto Brenes and many more also call this site their home. They all make up team poker stars. Among them, they hold a number of World Series bracelets, including four world championship titles. PokerStars considers these players to be representative of poker's best and great ambassadors for the game. Look for these players under the PokerStars banner as they fight their way to another final table.

## Poker Stars Tournaments

They offer some of the best poker tournaments. You can play in freerolls to win a chance at a buy-in tournament, or cash. They also have different levels of buy-in tournaments.

There are also sit-n-go tournaments of different levels as well. Poker Stars also offers some really incredible tournaments. You can play freerolls and buy-ins to some of the more popular tournaments.

## Satellites to Live Poker Events

PokerStars offer satellites to selected prestigious live poker tournaments. All satellites to the various live events can be found in our main lobby by clicking on the "Events" tab.

PokerStars.com offer satellites to events like: World Series of Poker (WSOP), World Poker Tour (WPT), World Championship of Online Poker (WCOOP), European Poker Tour (EPT), World Cup of Poker, Aussie Millions, Latin American Poker Tour, Poker Stars Caribbean Adventure, Australia and NZ Poker Tour, Russian Poker Tour and so many more.

## Poker Star's VIP Program

The best online poker rewards program. It's their way of thanking ALL their players for choosing PokerStars as their online poker room. Whether it's better value or more rewards you're after, the PokerStars VIP Club is definitely for you. You automatically become a PokerStars VIP from the moment you play your first real money poker hand. As you play, you'll earn points which determine your VIP Club level. The higher your level, the more you are rewarded. Reward yourself with a wide variety of items in our VIP Store and enter VIP tournaments and freerolls!
