I signed up with Royal Vegas and doubled my money for my sign on bonus and I got a little extra when I signed up by using the selected deposit methods. Royal Vegas is part of a large gaming group called Fortune Lounge, and with this group, at Royal Vegas, there is a new game called International Casino Games just waiting for you to have fun with.

With Royal Vegas I found a safe and reliable place with great customer service. I am looking forward to the weekly emails that inform me of the additional promotions.
