I'm addicted to bingo since I was a child, I loved to watch the numbers on the big screen when my grandma took me to the bingo hall. That's why I have to play bingo at least 2 hours a day, because I can't go in a bingo room, I play online. One of the best sites with bingo is this one, southbeachbingo, it has everything, nice graphics, bonuses and free 5\$. It's like a pill for me.

Having the possibility to play for free with 5\$, I've registered myself and played on South Beach Bingo. This bingo website is very cool you feel like you are in a real bingo hall with cool players around you and a lot of great prizes. The only thing that bothered me was that I've lost the free cash:)
