SunPalace Casino, licenced in Costa Rica, is part of the Main Street casino group incorporated in Cyprus. SunPalaceCasino.com is a chance for you to enjoy the sun inside. The site has a great layout, which is very easy to navigate. The graphics are incredible, it makes you feel like you are in an actual casino. American players are still welcome at this casino. Casino players can play the games right on the browser using the instant Flash casino, or download it for free.

Sun Palace Casino Games

Sun Palace with the latest RTG version offers over 90 exciting casino games and slots, so you will be sure to find all of your favorites. Even though this isn't a huge array like other sites offer, you'll still be able to find something to suit your taste. For slot lovers, they offer your favorites. Classic reel slots, single and multi-line. They also offer video slots, progressive slots and video poker.

They also offer your favorite card games. You can try your skill at Blackjack tables, hang out in the Baccarat Pit, Caribbean Stud Poker, War and many more. For table game players you can find your favorite. American and European Roulette, SicBo, and Craps.

I found this site to be extremely professionally constructed, easy to join, and very asthetically pleasing to the eye. The graphics were very clear, clean and crisp. Even the audio was not overly intrusive. I highly recommend this site for novices and experienced players alike
